

# WORLDWIDE NETWORK *for* GENDER EMPOWERMENT

# WNGE

WNGE is a dedicated world-wide network of communities  
and individuals whose mission is to support research,  
activism, and change related to women's and gender issues.

*"The education and empowerment of women throughout the world cannot fail to result  
in a more caring, tolerant, just and peaceful life for all."*

- AUNG SAN SUU KYI, Nobel Peace Prize laureate

## *What We Do*

The virtual community serves as a resource for connecting diverse individuals and as a collaborator with other emerging and established networks interested in gender empowerment. In addition, WNGE seeks to partner with like-minded organizations to promote issues of mutual interest. A list of the network's current projects can be found at [www.fielding.edu/wnge](http://www.fielding.edu/wnge)

## *Vision*

- Create a globally connected networked community
- Improve common understandings across cultures
- Provide collaborative possibilities for mentoring, research and activism
- Build on what is learned and turn grassroots efforts into sustainable and measurable initiatives

## *Our Members*

Founded under the auspices of Fielding Graduate University in 2004, the network has members from around the globe engaged in work ranging from academia to healthcare to transportation.

## *Become a Member*

To become a member of WNGE is easy. Simply visit **[www.fielding.edu/wnge](http://www.fielding.edu/wnge)** and complete the profile form. A network member will respond your request upon receipt.
