

Help Instructions for WebAdvisor Self-Service Login

Website: <http://selfservice.fielding.edu>

Username: Sent by separate email.

- * Save your username. This is your Fielding username that you will use for all student systems, such as Moodle and the Fielding library in the future.

Temporary Password: Sent by separate email.

- * This temporary password will expire once you have selected a new password. Save your new password securely.

The temporary password change screen looks like this:

Change Password

 Please enter your user name, current password, and new password.

 Your password has expired. Please choose a new password.

User name

Current password

Enter the temporary password into the “Current password” field, and then enter a new password into the two “New password” fields below.

That new password will be your password for self-service moving forward.

Still having difficulty with password or login?

Contact support@fielding.edu for help. Be sure to tell them that you are an incoming student who is new to WebAdvisor Self-Service.
